General Petite	
General Petitenot for the long waisted. i immediately ordered this top when i saw it online. the embroidery is beuatiful (although it will require extra care). the soft lavendar color was a breathe of fresh air. howe was wearing a maternity top as it hung oddly on my slim, 5'9" frame. i am long waisted so perhaps petites will find this top works for them. i agree with the other reviewer that indicated the arm ope large and deep. sadly, this one went back....
General Petite	...but not for me. i usually try to buy petite sizes since i am only 5ft 0in, but this was just too pretty to pass up so i took a chance and ordered a regular size xs. right out of the bag, i was impressed w and fabric of this romper. however, i did not notice that the entire back was open until i put it on. from the pictures, it looks like there is a small opening, but when i put it on i was exposed all the wa lower back. this may not be the same for a taller person s
General Petite	...for real, reinforce all the buttons before you wear it out. i've had three different ones pop right off.
General Petite	/my friend and i both tried on this shirt just to see how it fit and because it was blue. we were surprised how pretty it si on. a little see-through though, but hte cut hits in the right places (i guess we a endowed). she ended up buying it so i passed but very feminie work piece.
General Petite	1. i'm 5'5" tall, 143 lbs, and 38-32-40 and my normal size 10s fit me perfectly.
General Petite	1. i'm 5'5" tall, 145 lbs, and 38 (36d) - 32-40 and the size 12 fit me perfectly with just a bra on underneath, when zipped up. i plan on wearing tank tops or thin t-shirts under it, and leaving it unzipped a size 10, but at retailer, i'm a 12 in their jackets. 2. thin with a thin lining, but stiff enough to hold its shape. the front zipper also helps give firmness to the front edge. 3. the fabric is white with lots of beige embroidery and lace holes. 4. i have a feeling thi
General Petite	1. i'm 5'5" tall, 145 lbs, and 38 (36d)-32-40 and the size I fit me perfectly. i probably could have gotten into the m, but i don't like my t's to pull under the armpits or across the bust, and this top looks room to flow. 2. the white is very sheer, but a nude bra won't show through. the navy is not see through. 3. i love the asymmetric hem in the back. 4. i'm a little concerned that the raw edge on the hem won't hold up in the wash, but i plan on hand washing these anyway, bec
General Petite	1. i'm 5'5" tall, 145 lbs, and 38-32-40 and the size 30s fit me perfectly. 2. i love the hyphen chinos, and these fit almost the same, just a bit trimmer. they are not tight, and just skim my body perfectly. 3. i love all the colors. the red is darker than the two hyphen pinks. 4. the pants are comfy enough to be really casual and dressy enough to wear to work.
